# Aviation Safety Program

## Aviation Safety-Education Seminar

GREER, SOUTH CAROLINA  
AT THE BMW MANUFACTURING FACILITY  
ZENTRUM CENTER

DOORS OPEN AT 6:30 PM, MEETING: 7:00 PM TO 8:30 PM

**NOVEMBER 8, 2001**

---

---

### PROGRAM

---

---

*Movie from 6:30 to 7:00, Program starts at 7:00*

*Come to our Safety Seminar and hear a discussion about the November, 1996, collision between the United Express, Beech 1900 and the King Air, that killed fourteen people, in Quincy Illinois.*

*This was the event which initiated our current focus on runway incursions.*

**Robert Sumwalt** will take us through the accident, step by step, and we will learn how this type of accident happens and how we can avoid this from happening to us!

**Mr. Sumwalt** is a nationally recognized expert in the area of aviation accidents. He is a frequent contributor to Professional Pilot Magazine and a member of their editorial advisory board. He has published two books on Aviation Safety. Mr. Sumwalt is currently an Airbus, A-320 Captain for US Airways.

*This is an interesting and thought provoking discussion which, I think, we all will enjoy. Please come and have a good time, learn how accidents can happen, and how you might avoid one.*

*Bring a friend, too. Dick Hitt, FAA, Aviation Safety Program Manager*

**Directions:** BMW is located just off I-85, between Greenville and Spartanburg. Get off I-85 at exit #60 and go North. Go to the second light. Go left into the parking lot. Follow the signs to Visitors Parking. The Zentrum Center is the horse shoe shaped building.

WE WILL ALSO DISCUSS THE ADMINISTRATORS "SAFER SKIES AGENDA" AND THE AVOIDANCE OF RUNWAY INCURSIONS.

#### SEMINARS ARE FREE

Your attendance at this seminar fulfills one of the requirements of the pilot proficiency award program (Wings Program). Completion of the requirements of the Wings Program, as outlined in AC 61-91H, will qualify you to receive a Wings lapel pin and wall certificate. For further details about this seminar, contact your Aviation Safety Counselor. If unable, contact Richard Hitt, ASPM
